Examiner:

PRELIMINARY AMENDMENT

Sir:

Prior to examination on the merits, please amend the referenced application as follows:

IN THE CLAIMS:

Please amend claim 6 as follows:

6. (Amended.) A method of manufacture of a computer entity, said computer entity comprising at least one data processor and at least one data storage device, said method [characterised by] comprising the steps of:

partitioning said data storage device into a plurality of partitions;

installing a primary operating system onto a first said partition of said data storage device;

installing a secondary operating system onto a secondary said partition of said data device;

A
